Your Unified Mission Giving In Action

Last fall, First Presbyterian Church in Miles was informed by the Vision and Renewal Unit of the Presbytery that their Emerging Missions Grant application to begin a mentoring program for at-risk youth had been approved. Enter Kids Hope USA which is now in its fourth month of operation. They trained 11 mentors and 11 prayer partners in early January who have now paired up with 11 at-risk elementary school students. How important is this project? From a student when asked why he arrived at school so early, "Because you (my mentor) were coming." From a prayer partner, "This project may be more important for our church than for the kids." From a teacher, "How I admire the Presbytery for their dedication to a project that may be our only hope in the mire of lost kids in education." From the director of Kids Hope USA, Sara Hankemeier, "Thank you Presbytery of East Iowa for helping us financially with this new adventure. Your support and prayers are so appreciated."

VISIONING REVIEW TASK FORCE FORMING

If you are looking for a chance to serve God through Hus church, there is new task force starting that could use your help. Two years ago, Hus passed the Hope and Health visioning plan. When this was passed it was stated that the plan would be reviewed at the end of two years. That time is upon us and the Session of Hus church would like to set up a Visioning Review Task Force. Pray about this opportunity and if you might be interested in serving in this very important project. If you have additional questions, please talk to Doug Page or Marcia Funcke (your Session Nominating Committee Representatives)

Food Drive for our Veterans

The AmeriCorps/American Red Cross will be collecting non-perishable food items, paper products, and toiletry items. They will be picking the box up on Tuesday, May 15th.
